

Billings Central Catholic High School  
2019 Fall Activity Information

Billings Central Catholic High School encourages all students to be involved in activities during their high school years. BCCHS activities promote sportsmanship, foster good character, and allow students to become involved with people who share a common interest. Practices, bus trips, team dinners, physical fitness, fun, satisfaction in learning new skills, and school spirit are an integral part of the sports programs at BCCHS.

**Team success requires support of the parents and the commitment of the player.**
