All Billings Catholic Schools Scholarship applicants must provide the following information:

1. Complete the following

By now, I'm sure you've heard this line from "Cyrano" 12 million times.

"My blood curdles think of altering a single comma," Cyrano said to De Guiche.

I would like you to tell me what moment in your life you would not be the person you are today without. I want you to explain to me what event, what "comma," made the biggest impact on who you are as a person now. I want you to tell me what moment you can point to in your life and say "That's when it all changed."

Also, this is a safe space. I am not looking for the essay that's going to make your parents happy or college admissions people enthralled. I am looking for honesty and sincerity. You will not get into trouble for what you write and nor will your character be judged in any way.

Please write no more than 1,200 words and no less than 500 on this topic. Please also type your essays in 12 point Arial font, double spaced.

- Why do you choose to attend the Billings Catholic Schools?

- Briefly explain why you would be a good recipient of a Drew R. Murray Memorial Scholarship.

1. Enclose an official copy of your most recent transcript or report card.
