I understand by the nature of activity there is the possibility of accident and assume the risk and responsibility while attending the camp. *Again this year: Understand that there is a chance of contracting COVID19 and you are attending camp at your own risk.* I, as parent/guardian of a minor student, permit emergency care to be administered to him/her as deemed necessary by the camp coach. I will allow the involved hospital and/or doctor to administer the required treatment of the emergency condition. I also understand that all incurred costs are my personal responsibility and that School District #2 or Billings Central High school does not have insurance coverage for injuries to sport camp participants or to be responsible for anyone who contracts the COVID19 virus.
