

Final Assessment Week - Underclass

Belief Statement:

BCCHS believes that Semester and Final Performance Assessment is a critical component in the academic process. Assessment must measure a student's mastery of the subject matter and the ability to prepare for testing to successfully demonstrate knowledge of the subject matter. The assessment should measure the student's ability to recall and retain information and to demonstrate through his or her own words or actions comprehension of that information. The means for assessment may vary, but in all cases will measure cumulatively the material covered in the time period for which the assessment is being given.

FYI

- Students must remain in their scheduled class during testing periods
- ***When the period ends, students should be completely checked out of the class. All books and materials should be turned in and all class expectations met.***
- If a student feels they will complete final exams or projects early in the period, they must bring extra work to class
- Restroom needs must be taken care of prior to the testing period
- Regular dress code applies...no sweats or PJ's – 'Look sharp, be sharp'
- GOOD LUCK!
